H. Dear Sir,

I enclose herewith for your information a copy of a letter received from Messrs. Grace Bros. & Co., Ltd. and of one addressed to them from this Office in reply thereto respecting the equipment of the new tug and barge launch "TOFO", and with regard thereto, I shall be glad if you will get into touch with Messrs. Grace Bros. & Co., Ltd. with a view to an opportunity being afforded you at an early date of examining the vessel's equipment and comparing the marks on the same with the certificates of test.

I should add that the equipment was in May last examined by the Society's Surveyor at Plymouth, but not on board the vessel. The following particulars of the anchors and chains supplied, as reported by the Plymouth Surveyor, are herewith sent for your information.

I have to add that in a further letter received from Messrs. Grace Bros. & Co., Ltd. they state that the necessary certificates of test are being forwarded to their House at
