Sir,

49715 "TROJAN".

Replying to the query in the passing letter dated 24th inst re the Towline of above steamer I respectfully to state the size of towline supplied is 5" manilla. It is regretted that attention was not called to the fact in forwarding the report, but taking into consideration the greater breaking strain of a 5" manilla rope as compared with a 5½" hemp rope, the towline supplied was in my opinion satisfactory.

I am, Sir,

Your obedient servant
Manjiladunith.

The Secretary
London.
