1st October 1909.

Gentlemen,

M I have to inform you that it is understood that the steamer "VERONA" is now in dry dock under your survey, and I have to request that you will be so good as to state by return of post precisely the condition in which the stern framing, plating and riveting was found by you when surveyed in dry dock, before any additions or repairs were put in hand.

I am, Gentlemen,

Your obedient Servant,

Secretary.

The Surveyors,

BELFAST.
