Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.

28th February, 1939.

Dear Sirs,

M.

I have to acquaint you that the Single Screw Motor Tanker "BRITISH LIBERTY", Messrs. Furness Shipbuilding Co's Yard No. 287, has proceeded to your port with a view to the installation of the machinery and completion of the Special Survey.

To complete the survey on the hull the following remains to be done :- Steam and combined steering gear, auxiliary steering gear and steam windlass to be examined under working conditions. Engine and boiler casings to complete after machinery installed.

I shall therefore be glad if you will be good enough to give the case the necessary attention, and, on completion of the work, to forward a report on form 8 with a view to the classification of the vessel.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
SUNDERLAND.
