71, Fenchurch Street, E.C.

19th. May, 1915.

Dear Sir,

With reference to the case of the Twin Screw Steamer "LUYAK ADA", which vessel was completed at your yard last November, I beg to remind you that the fee due for the services of the Society's Surveyor in connection with the survey carried out with a view to certifying that the vessel had been built to specification which duty was undertaken at your special request-still remains unpaid.

I would point out that until these fees are paid neither the classification, nor specification certificates, can be issued, and as the matter has now been some time outstanding, I shall be glad to be favoured with your remittance for the amount due, viz: £40-15-0 at your early convenience, when I shall have pleasure in forwarding the certificates in question.

I am, Dear Sir,

Yours faithfully,

The Secretary,

The Rennie Forrestt Shipbuilding

Engineering & Dry Dock Co., Ltd.,

The Shipyard,

WIVERNHOLM, Essex.

Secretary.
