NCLS.

27th June, 1911.

Gentlemen,

I have to hand you herewith copies, forwarded to this Office by the Thames Iron Works, Shipbuilding & Engineering Co., of the complete specifications of the hull and machinery of the steamers Nos. L80 - A, B and C now building by them to the order of the Idarei Massousieh, and to acquaint you that the Builders desire to be furnished with certificates on completion of the vessels to the effect that the work has been properly executed in conformity with the plans and schedule of specifications and that the materials used are of good quality.

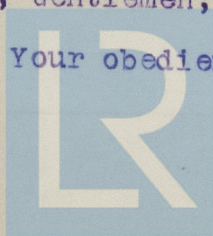

In the circumstances I have to authorise you to undertake this duty and I may add that the Builders have been informed a special fee will be charged for your services. In addition to the usual fee for classification, this special fee to be 75% of the special survey fee on hull and machinery.

I am, Gentlemen,

Your obedient servant,

Surveyors,

x LONDON.
