

Extract from a letter received from the Surveyors at Trieste (Mr. Dussich) dated 2nd. January 1902.

In reply to the enquiry contained in your classing letter of the 24th. ultimo regarding the anchors and chains of the steamer "TIROL", I beg to state that these, together with the cables and anchors for the S.S.No. 65 & 66 now building under special survey with a view to classification, have not been tested in the presence of a Surveyor to this Society.

No record of "A & C P" to be made, as in the case of S.S. "Tirol" Trieste Report N^o 668, building by Lloyd's Arsenal.
