Dear Mr. Wells,

I am favoured with your letter of today's date relative to your steamer "YU SANG", and I am very pleased to hear that there is a likelihood of the classification of this steamer being retained. I am accordingly holding up the omission of the class for the time being, and I trust that upon looking again into the matter the Company will see the advantage of continuing their steamers in class; especially as the Society has now a salaried surveyor stationed at Shanghai, in addition to those at Hong Kong, and other ports in the Far East.

I shall look forward with interest to hearing from you further in regard to the matter.

Yours faithfully,

A. G. Wells, Esq.,
