On this side we know nothing
but the interview of Sun with
an American rather than
a superior man for defending
their interests -

Believe me

Dear Mr. Scott,

I am bringing your special
letter of yesterday up for discussion
at our meeting tomorrow - In the
meantime, if it is possible, you
might suspend taking action in the
"Yusang" -

As yesterday I have personally
thought it a mistake not to
continue closing the vessels in
China but it is my intention to leave
the matter discussed tomorrow with
a view to getting China to discuss
its decision -

Trusting there were certain
reasons why such a step was not
necessary but in my opinion these
reasons do not carry the weight
they did - Today the conditions

as.
