9th October, 1923.

Dear Sir,

S.

Reverting to my letter of the 27th September and yours of the 29th August regarding the classification in the Society's Register Book of the Icebreaker "MIKULA SELEANINOVITCH", it is noted from your letter that this vessel still retains this name, although she appears for a short time to have been called "J.D.HAZEN" and is so described in the current edition of the Society's Register Book.

In the circumstances, however, it is proposed to reinsert the particulars of the vessel under the name "MIKULA SELEANINOVITCH" unless I hear from you that this would not be correct.

I am, Dear Sir,

Yours faithfully,

Assistant to the Secretary.

The Deputy Minister of Marine & Fisheries,

OTTAWA,

Canada.
