7th July, 1909.

Enclosures.

Dear Sirs,

With reference to the classification in this Society's Register Book of the River Steamer "CAXTON", which is understood to have recently become your property, I beg to acquaint you that the Special Survey No.1 prescribed by the Society's Rules became due in June, 1908, and in order therefore to entitle this vessel to retain her class in the Society's Register Book, it will be necessary for the inspection in question to be carried out without delay.

I shall therefore be obliged if you will kindly let me know for the information of the Committee what arrangements you propose making in the matter.

I enclose for your information an extract from the Rules setting forth the requirements of the Special Survey No.1 and also a list of ports at which the Society has Surveyors stationed.

I am, Dear Sirs,

Yours faithfully,

Messrs.C.A.Stewart & Co.,
