The Second Special Survey No.1 of this vessel became due in April last.

She has recently been sold to French Owners, who have informed the Society's Dunkirk Surveyor that they have decided to transfer the vessel to the classification of the Bureau Veritas, in view of the fact that the other vessels owned by them are classed with that Society.

In the circumstances, the Classing Committee, who had the case before them on Tuesday, 20th instant, decided to give instructions for the vessel's character to be withdrawn from the Society's Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
