

TRANSLATION.  
-----

We beg to confirm the telephone conversation which you have had with the undersigned manager, and during which we informed you that we had decided to class our steamer "MITIDJA", which we have recently acquired, with the classification Society Bureau Veritas.

In view of the fact that this Society is French and that the other vessels of our Company are classed with them, we have taken this decision notwithstanding the pleasure which we would have had to personally deal with you.
