S/S "REMIER"

With further reference to the correspondence  
concerning Special Survey No 3, of this steamer, we have again  
from our Principals who desire us to specially point out  
that, when applying for the postponement until steamer's  
arrival in Antwerp, when coming from New York this steamer will  
carry a non-perishable cargo.

We understand from them also that most of the work  
of the survey has already been done in Rotterdam a few  
days ago, and we trust that with this further information for your  
consideration, you will grant authority to postpone this survey until  
the vessel's arrival in Antwerp.

Yours faithfully,

LLOYD ROYAL BELGE (GREAT BRITAIN) LIMITED
