Sir,

S/S "REMIER"

We beg to refer to your letter of the 9th instant, informing us that the Committee wants the Special Survey No 3 to be completed on steamer's arrival in New York.

Principals would feel much obliged if the Special No 3 survey could be left over until the steamer's return to Antwerp, as they have already made arrangements for attending to this, and complete what has still to be done. We understand most of the work on the repairs was effected whilst the steamer was in Rotterdam a few months ago.

We shall consequently feel obliged if you will reconsider the matter, and grant authority to postpone everything until steamer's arrival in Antwerp.

Yours faithfully,

LLOYD ROYAL BELGE (GREAT BRITAIN) LIMITED.
