Dear Sirs,

I beg to acknowledge the receipt of your letter of the 6th instant, in further reference to the Special Survey No.3 which is overdue on the steamer "REMIER" and has not yet been completed, and have to acquaint you that your remarks were submitted to the Committee at their meeting today.

In reply I have to say that only one visit was paid to the steamer when she was at Rouen recently, and very little of the Special Survey was advanced, and the Committee have no option but to adhere to the decision previously conveyed to the Owners, namely, that the Special Survey No.3 must be completed on the vessel's arrival in New York as the work was not done at Rouen.

I am, Dear Sirs,

Yours faithfully,

Secretary.
