The First Special Survey No. 3 became due on this  
Steam Trawler in August, 1918, but action has been deferred from  
time to time as the vessel has been in the service of the  
Government.

The Grimsby Surveyors now report that they have  
examined the vessel in drydock, but forward a letter from the  
Owner asking for the vessel's class to be withdrawn from the  
Society's Register Book.

The case received the consideration of the  
Classing Committee on Friday, 22nd instant, when it was  
decided to withdraw the vessel's class from the Register Book,  
and to insert three dots (...) in lieu, indicating withdrawal  
of class at Owner's request.
