No. 112

Ocean Chambers, Lowgate,

Hull, 21st. June. 1917.

28

Reference

Dear Sir,

I beg to acknowledge receipt of your telegram as follows:-

"TOBAL RECLASSIFICATION DESIRED SURVEY BOILERS HOLD "
 PRELIMINARY SURVEY HULL MACHINERY WITH VIEW REPORTING GENERAL"
 CONDITION OF VESSEL AND ENGINES CARRY OUT ANY PART OF SPECIAL"
 "SURVEY NO. 3 NOW PRACTICABLE INFORM MR. MEEK."

I immediately got into communication with Mr. Meek who
 informed me that the vessel is loaded and bunkered and
 expected to sail tomorrow (Friday night).

In the circumstances I am afraid it will be impossible
 to ascertain the general condition of the vessel.

We will however attend as soon as possible and see what
 can be done to carry out the wishes of the owners.

I am, Dear Sir,

Yours faithfully,

The Secretary
 LONDON. E. C.

P.S. The above vessel has been in this port
 nearly 3 weeks, and has been in dry dock.

THE UNIVERSITY OF CHICAGO

1. The first of the two is a letter from the Secretary of the Navy to the Secretary of the Army, dated 1890, in which the Secretary of the Navy states that the Secretary of the Army has requested that the Secretary of the Navy should send him a copy of the report of the Secretary of the Navy on the subject of the proposed construction of a new fort at the mouth of the Mississippi River. The Secretary of the Navy has replied to the Secretary of the Army, dated 1890, in which he states that the Secretary of the Navy has no objection to the Secretary of the Army's request, and that he will send him a copy of the report of the Secretary of the Navy on the subject of the proposed construction of a new fort at the mouth of the Mississippi River.
