 ass..... Port of Registry.....

veys due..... Special Survey due 5.53.....

roposed to be held.....

marks..... On the 23rd March last the Committee agreed to the
 vessel's class being maintained until the end of July when, it
 was stated, a new ferry would be in operation.

In reply to enquiry the Barrow Surveyor states this
 vessel is now longer in commission and that the new ferry is
 now in operation.

Chief Surveyors' recommendations.....
