LONDON, E.C.3.

The Surveyor(s) at HULL

Date: 20th December, 1950.

Vessel's Name: Stm.Tlr. "EARL KITCHENER"

QUESTION.

ANSWER.

I have to acquaint you that in reply to enquiry regarding the Boiler Survey, which became due at the end of June last, the Owners stated on the 1st ultimo that the vessel was laid up and they did not intend to carry out this inspection at the time but that, should she ever proceed to sea again, this office would be advised. It is concluded that the vessel remains laid up, but I shall be glad if you confirm this.

Date:— 22nd December, 1950.

In reply we have to confirm that this vessel is still laid up.
