Dear Sir,

Steamer "CALEDONIA"

The Committee have today had before them a report of survey held on damage to this ship at Calcutta last November, and they have commented on the fact that up to the present no definite information has been received from the Owners in regard to the arrangements proposed to be made for the equipment to be placed in order, as requested in my letter to you on the 1st October last.

They desire you again to approach the Owners to endeavour to obtain some definite information in regard to their proposed arrangements, and perhaps it would be as well at the same time to point out to them in the absence of any agreed arrangements the continuance of the vessel's class may be prejudiced.

Yours faithfully,

Assistant Clerk to
the Classification Committee.

Ake Weber, Esq.,
HELSINGFORS.
