Lloyd's Register of Shipping.

Port USA

16th. April. 1953.

This is to Certify that I have

Part of
Surveyed the Boiler and Machinery of the S/S BRITISH JUDGE,
6735 gross tons of London, whilst afloat in Suez Roads on
12th. April. 1953 on account of defective safety valves,
and that I have transmitted to the Committee of Lloyd's
Register of Shipping, London, a Report stating that all
recommendations made by me in connection therewith have
been carried out to my satisfaction, and that I have
Recommended that the record of +LMC without fresh record
of survey,
retained
be made in the Register Book in the case of this vessel.

Fellm

Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that :—

While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
