6th April, 1950.

Yard No. 454

Dear Sirs,

I return herewith two copies of the plan of Motor Seating received for consideration for the above ship.

With regard thereto I have to state that the arrangements as shown and amended will be approved, provided they be carried out to your satisfaction.

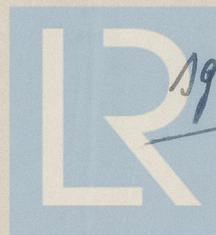

Special attention should be paid to the fitting and welding of the Seating.

Plans of Midship Section, Profile and Decks, etc. will follow in due course.

Yours faithfully,

The Surveyors,
AMSTERDAM.
