

urbine vessel to our class in this district), I beg to be
nformed if the Nominal Horse Power for fees should be calculated

"Mahana".

N. H. P. for. fees. 1109.

$$.513 \left(\frac{5200}{6} + \frac{15534}{12} \right) = 1108.59.$$

corrected on report.

H.S. See front tube plates.
