Dear Sirs,

I duly received your letter of the 20th instant respecting the steamer "REYKJANES" from which I am pleased to learn that the Owners have already arranged for new anchors and cables to be supplied to this vessel.

The Committee had the case before them today and due note was taken of the present equipment on board.

In the circumstances a class of 100A- was assigned with notations as recommended by you, and I shall be glad if you will inform the Owners that the figure '1' will be added into the class as soon as the new equipment has been placed on board, examined by you and found to be in accordance with the Society's requirements.

I await a reply to my enquiries regarding the hull of the vessel when Mr. Palmer returns from leave.

Yours faithfully,

Clerk to the
Classification Committee

The Surveyors,
HULL.
