Dear Sir,

We beg to acknowledge the receipt of your letter of the 7th instant, respecting our First Entry Report No. 54243 on the above vessel, and in reply have to inform you that the size of the Bilge Injection is $3\frac{1}{2}$ " outside diameter, and it is fitted in the port aft Engine Room Bilge.

direct

There is no/Bilge Suction to the ballast pump, but arrangements have been made for this to be fitted at the first opportunity.

As regards the items concerning the hull of the vessel we beg to state that Mr. Palmer, who carried out the survey, is at present away on leave, but as soon as he returns the required information will be furnished.

Yours faithfully,
The Surveyors.
