ANSD.....

Dear Sir,

Hull, 7th July, 1947.

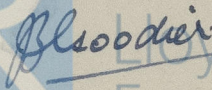

"REYKJANES" ex "EMPIRE CONTAY".
No. 86556 in the Register Book,

With reference to our report 4 on the above vessel, we have to point out that as there is some doubt concerning the sizes of the auxiliary pumps, these items have been omitted from our report and arrangements made for verification on the vessel's return from her present voyage.

She is expected in this Port during the course of the next few days when the information will be obtained and forwarded.

Yours faithfully,
The Surveyors,

Per:-

The Secretary,
LONDON.
