26th February, 1953.

sn.(H)

Dear Sir,

I am in receipt of your memorandum of the 11th instant intimating that the steamer "INVERCAIBO" is still laid up at San Nicolas, and with regard thereto I shall be glad if you will inform the Owners that as a number of periodical surveys are already long overdue on this vessel, the Committee cannot agree to her class being maintained indefinitely even though it may be qualified with a "laid up pending survey - class suspended" notation.

Accordingly they propose to expunge the class from the Register Book at the end of March if compliance with all overdue surveys is not arranged by that time.

Yours faithfully,

Clerk to the  
Classification Committee.

W.D. Wardle, Esq.,  
ARUBA.
