Dear Sir,

Steamer "INVERCAIBO"

I duly received your letter of the 11th instant respecting this ship, the contents of which are noted.

Since the vessel is still laid up and no decision has yet been made in regard to her future, the Committee have now given instructions for the notation of "Class Suspended" to be added to the existing notation of "Laid up pending survey".

I shall be glad if you will inform the Owners accordingly.

Yours faithfully,

Pro Clerk to the  
Classification Committee.

W.D. Wardle, Esq.,
