

S.S. "FAVORITA DONA CATALINA".

The Cardiff Surveyors in reply to an enquiry state that the Hull has been opened out for survey and examined and found to be in good condition.

The Boilers and machinery are now under survey and a report is awaited.

It is submitted that the Owners be informed that a letter, as desired, cannot be forwarded to the Board of Trade until the reports have been received from Cardiff for the information of the Committee, who will then assign the vessel such character as the facts may appear to them to warrant.
