

S. "Newston" ex "Favorita Doña Catalina" no 121 in  
Register Book.

Overall dimensions : 145.5 x 29.5 x 12.08

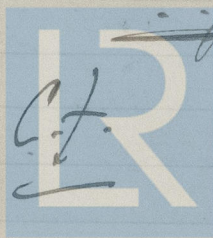

Displacement numbers : 41.58 x 60449

Proportions : Length = 12.04 depths to upper deck.

This vessel was built by Messrs. Seebeck in 1906,  
and has recently been under survey at Cardiff.  
The new Owners Messrs The Easton <sup>Trading</sup> Transport Company  
advise that the vessel may be cleared in the Society's  
Register Book, similar to their similar vessel  
"Easton".

The reports and plans forwarded have been examined,  
and it is found that they are such as to enable the  
vessel to ~~be~~ be recommended to the Committee for the  
Al. Boasting, England, Wales & to French  
coast ports, as in the case of the S.S. "Palms-ton".
