Aruba surveyors report sold to Boston Metal works, for breaking up at Boston

QUESTION.

ANSWER.

The above vessel is reported to have been sold for breaking up as soon as the work of demolition is in hand. I shall be glad if you will kindly let me know the month in which it is expected, for purposes of the Society's Wreck Returns.

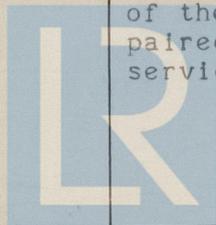

Date:— 2nd October, 1952

The Boston surveyor has forwarded this inquiry for our attention.

The breaking up firm of Boston Metals Co. at this port advises that the vessel is now lying at their plant.

Demolition has not yet commenced as there is a possibility of the vessel being sold, repaired and going back into service.
