Dear Sirs,

S. With reference to your letter of the 29th ultimo addressed to the Society's Office at Middlesbrough in regard to the Steamer "DONALD STEWART", built by you between December 1922 and May 1923 for classification in this Society's Register Book, I have the pleasure to acquaint you that the tail shaft, which has a continuous liner, was fitted under the supervision of the Society's Surveyors in April 1923.

I am, Dear Sirs,

Yours faithfully,

*Com mdb*

Secretary.
