sp Polly Bridge

Nwc. 68725

It is submitted the Newcastle Surveyors should be informed it is concluded that the blow off cocks are fitted with spigots & brass covering plates, but as this is not stated on their report they should confirm it.

They should also be informed that the nominal S.D. by the Rules is $\frac{7}{16}$ not 50 as stated in the report. The fee should be amended accordingly.
