

RJS

22nd October, 1953.

Dear Mr. Nurminen,

I was very pleased indeed to learn from your letter of the 17th that you managed to come to a satisfactory settlement with the Underwriters in the case of the "AINA MARIA NURMINEN".

We have taken due note of your intention to sell her for breaking up purposes as soon as possible. //

We are very gratified to hear that both Mr. Bowman and Mr. Mohr were of assistance to you, and propose to pass on to them an expression of your appreciation of their efforts.

With kindest regards,  
Yours sincerely,

Matti Nurminen, Esq.,  
Rahapajankatu 1,  
Helsinki,  
Finland.
