Enclosure

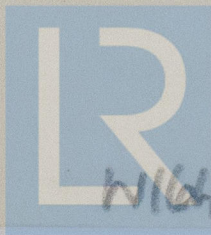

22nd October, 1953.

Dear Mr. Macmillan,

Mr. Matti Nurminen, who wrote the enclosed letter of appreciation of the help he received from Bowman and Nohr at Kiel, is a very good client of the Society, and I feel sure you will be only too pleased to pass on to the Surveyors concerned a note saying how gratified we are to receive such an encomium of their services.

With kindest regards,  
Yours sincerely,

W. Macmillan, Esq.,  
HAMBURG.
