17th January, 1919.

Dear Sir,

I have to acknowledge the receipt of your telegram of the 16th instant as follows, namely:-

"Kindly cable Gothenburg Surveyor if Stockholm  
"report 1796 Svealand dealt with and if 100 A  
"class will be granted provided conditions  
"fulfilled".

In reply thereto I have to inform you that the vessel has not yet been classed, and as you were informed in my letter of the 6th instant, no reason can be seen for departing from the class originally proposed, namely, 90 A.

In the circumstances, I have cabled the Society's Surveyors at Gothenburg to-day as follows, namely:-

"Diesel Engine Vessel Svealand not yet classed  
"stop classification ninety A will be recommended"

I am, Dear Sir,  
Yours faithfully,

Secretary.

A. Isakson, Esq.,  
STOCKHOLM.
