Enclosure.

10th June, 1940.

Dear Sir,

S(Y).

With reference to New York Report No. 39981 and previous correspondence relative to the Twin Screw Schooner Yacht "MOANA" ex "STRANGER", I think it well to enclose herewith for your information a copy of a communication which has been received at this office from the Isbrandtsen-Moller Company, Inc., enclosing an application for a classification survey of this vessel. It is concluded that this should have been addressed to your office, and that the matter is now in hand, but in view of the statement that the vessel is now named s.s. "BROOKLYN HEIGHTS", I shall be glad to learn whether it is intended to carry out the classification survey as a yacht, or whether the vessel is being converted into a freighter.

I am, Dear Sir,  
Yours faithfully,

Clerk to the  
Classification Committee.

Wm. Bennett, Esq.,  
NEW YORK.
