14th March, 1939.

Dear Sir,

(Y).

With reference to your letter, dated the 5th January last, addressed to the Society's Surveyor at Jacksonville in regard to the Yacht "MOANA", ex "STRANGER", a copy of which was forwarded to this Office, I think it well to inform you that as the fees for classification have already been paid in this case, a notation of "Class Contemplated" is being inserted in the forthcoming reprint of the Register of Yachts.

I shall be glad to hear from you how this case stands and to learn when the reports on the vessel may be expected.

I am, Dear Sir,

Yours faithfully,

Clerk to the  
Classification Committee.

W. Bennett, Esq.,  
NEW YORK.
