18th January, 1938.

Dear Sir,

S(Y).

With reference to the Yacht Form recently received from the New York Office in which it is stated that the Twin Screw Yacht "MOANA" is now the property of Mr. L. L. Irvin, has changed her name to "VELDA", and is now on her way to this Country, I think it well to point out that I have not yet received a reply to my letter of the 19th November last respecting this case, and shall be glad to receive any remarks you may have to make on this subject.

Perhaps you will also be good enough to let me know whether it is now to be understood that the Diesel Engines referred to in Cleveland Report No. 853 will not be fitted in the "VELDA", but will eventually be installed in Mr. Leed's new yacht, as suggested in your letter of the 6th August last.

I am, Dear Sir,

Yours faithfully,

W. Bennett, Esq.,
NEW YORK.

pro Secretary.
