Dear Sir,

I have to acknowledge the receipt of your letter of the 6th instant in reference to Cleveland Report 853 on two new diesel engines which may be fitted in the yacht "MOANA". Your remarks have been carefully noted and in the circumstances I await further information from you in due course as to the fitting of these engines.

I shall be glad if you will be good enough to request the Cleveland Surveyor to forward the generator test sheets to this Office.

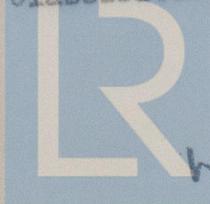

I shall also be glad if you will arrange for this Office to be advised when the fee due in this case has been collected by the Cleveland Surveyor.

I am, Dear Sir,

Yours faithfully,<sup>m</sup>
