

Extract from the Helsingborg Classing Letter dated 14/4/53

67 "ALLAN" As recommended, except that to complete the General  
amination for the postponement of the Special Survey until December  
it, the 'tween decks and lower bunkers require to be examined.  
shall be glad if you will inform the Owners of the above, and at  
same time ascertain when and where these items will be dealt with,  
inform this Office accordingly.
