

"AMS TELEGRAPH".

The sum of £394:10;0 is shown in the pass book as having been credited to the Society's account.

The fees charged are reported in Stettin letter dated the 31st ultimo, received on the 2nd instant, and the Surveyor requests that he may be informed BY CABLE when payment has been received.

From Stettin Transcript of Rough Fee Book dated the 2nd instant it is learned that £20 of this amount should be credited to Hamburg, with the results the credits are:-

Stettin..£374:10:0  
Hamburg..£20 : 0:0

Further, on the Stettin transcript no Number of Report is given, neither is any date given on which the reports were forwarded.

On the 4th instant the Surveyor was instructed to forward his reports before the vessel proceeded on her trials.

No reports appear to have been received in this Office.
