

Messrs. Niscke & Co's No.286 "AMSTELKERK"

It is submitted the Stettin Surveyor be informed
by wire that the Builders are pressing for early delivery
of certificates for both hull and machinery of this vessel,
and he should be requested to forward his first entry reports
at the very earliest possible date, in order to avoid any
delay. The sketch of midship section should be forwarded in
advance in order that the certificates may be prepared.

Colly. Stettin. 1/2/29
