Dear Sir,

## Steamer "OJEDA"

I duly received your Report No. 4156 of the Partial Special Survey of this ship which has now received the consideration of the Committee.

In view of the statement by the Owners' Representatives that it is doubtful whether the recommended repairs will be effected as the ship may be broken up, the Committee have given instructions for the existing notation of class qualification to be amended from "Laid up - surveys overdue" to "Laid up - surveys overdue - class suspended", and I shall be glad if you will inform the Owners' Representatives accordingly.

Yours faithfully,

Assistant Clerk to the  
Classification Committee.

Jan de Vries, Esq.,  
CURACAO.
