Dear Sirs,

I beg to acknowledge the receipt of your letter of the 17th instant, together with its enclosure, respecting the steamer "OJEDA", the contents of which have been noted, and with regard thereto I have to acquaint you that, provided the vessel is submitted to a satisfactory General Examination in drydock at Curacao and the Surveyor is satisfied that she is in a fit condition for the proposed loaded voyage to Europe, the Committee will be agreeable to the vessel proceeding to this side for Special Survey and installation of Diesel engines.

I shall be glad if you will advise the Owners accordingly and let me know in due course their intentions in regard to the above matter. Meanwhile the Society's Surveyor at Curacao is being instructed accordingly.

Yours faithfully,

C. C. FAD.

Clerk to the  
Classification Committee.
