 in bulk PN4,50  
 Fitted for oil fuel  
 12,24 FP above 150°F  
 Surveys due Special Survey due 4,53  
 Boiler Survey due 3,53

Proposed to be held

Remarks Action has been deferred in the past on account of the  
 vessel being laid up at Curacao.

In reply to further enquiry the Owners' London Representatives  
 state that this vessel is still laid up and that efforts are  
 being made to dispose of her. It is added that further  
 information will be forthcoming when the position has become  
 clearer.
