Vessel's Name:

s.s. "ESSO DUBLIN"

m.v. "ESSO ABERDEEN"

We much appreciate the arrangements you have made with your Falmouth Surveyors and advised to us in your letter of April 30th, to issue certificates of fitness for each of the above vessels to be towed to a United Kingdom port for demolition.

For your records, the "Esso Aberdeen" is to be handed over to the British Iron & Steel Corporation (Salvage) Ltd., at 11a.m. on May 5th, 1953.

As soon as finality has been reached in the negotiations regarding the "Esso Dublin" we will write you further.
