VESSEL'S NAME

26th August, 1920.

M. Dear Sir,

I have to inform you that a First Entry Report has been received from the Society's Surveyors at Belfast on the new steel twin screw motor vessel "DORSETSHIRE" from which it would appear that to complete the Survey the port driving wheel of the windlass requires to be renewed.

It is understood that this work will be effected at your port, and I shall be obliged if you will arrange for a report on form 8 to be forwarded to this Office when the work has been completed to the satisfaction of the Liverpool Surveyors.

I am, Dear Sir,

Yours faithfully,

The Secretary,

LIVERPOOL.
