

6th May, 1949.

Dear Mr. Prentice,

"INCHMAY"

In the form received giving particulars of the "INCHMAY, the Special Survey Type 4 is noted as due 8.45, and the Load Line Certificate expires 28.4.49.

It is thought that this Special Survey may have been partly held, but no entries appear on the form giving any indication of this. Perhaps you will be good enough to advise me of the position.

Yours faithfully,

J. Prentice, Esq.,

GLASGOW, C.2.
